

LIST OF WITNESSES TO BE CALLED TO TESTIFY
at hearings to be conducted by the
Science Committee of the Kansas State Board of Education
On May 5, 6 and 7, 2005, in Topeka, Kansas
As of April 21, 2005

Angus Menuge, PhD

Professor of Philosophy at Concordia University Wisconsin; Author: Agents Under Fire: Materialism and the Rationality of Science

Date of anticipated testimony: May 7

Bruce Simat, PhD

Biochemistry and Human Physiology, Associate Professor North Western College, St. Paul, MN

Date of anticipated testimony: May 5

Bryan Leonard, MS

High School Biology Teacher and candidate for doctoral degree in science education

Date of anticipated testimony: May 6

Charles Thaxton, PhD

Physical Chemist and co-author of The Mystery of Life's Origin

Date of anticipated testimony: May 5

Daniel Ely, PhD

Professor of Biology specializing in cardiovascular physiology, funded by the NIH and the American Heart Association

Date of anticipated testimony: May 6

Edward T. Peltzer III, PhD

Oceanographer with research interests in chemical evolution.

Date of anticipated testimony: May 6

Giuseppe Sermonti, PhD

Chief Editor of Rivista di Biologia/Biology Forum (Genoa), one of the oldest extant biology journals in the world; retired Professor of Genetics at the University of Perugia

Date of anticipated testimony: May 5

James Barham, MA

Independent scholar and author specializing in evolutionary epistemology, the philosophy of mind, and the foundations of biology

Date of anticipated testimony: May 7

Jill Gonzalez-Bravo, MA

Middle school science teacher (Rose Hill Middle School, Rose Hill, KS) with BS in science education and Masters Degree in Curriculum and Instruction with an area of emphasis in science and technology

Date of anticipated testimony: May 6

John Millam, PhD

Theoretical Chemist, Software Developer, Semichem, Inc., a provider of solutions for computational chemistry

Date of anticipated testimony: May 6

John H. Calvert, J.D.

Lawyer, specializing in constitutionally appropriate ways to teach origins science in public schools, Managing Director of Intelligent Design network, inc., an organization that seeks institutional objectivity in origins science.

Date of anticipated testimony: May 7

John Sanford, PhD

Geneticist, Associate Professor Cornell University

Date of anticipated testimony: May 6

Jonathan Wells, PhD

Molecular and cell biologist, Author of Icons of Evolution and Senior Fellow Discovery Institute
Date of anticipated testimony: May 5

Michael Behe, PhD

Biochemist, Professor of Biochemistry Lehigh University, Author of Darwin's Black Box
Date of anticipated testimony: May 7

Mustafa Akyol, MS

Media Director of International Relations at the Intercultural Dialogue Platform (a foundation in Istanbul),
freelance writer and spokesman for Islamic organizations interested in origins science
Date of anticipated testimony: May 7

Nancy Bryson, PhD

Assistant Professor of Chemistry, Kennesaw State University
Date of anticipated testimony: May 7

Ralph Seelke, PhD

Professor of Biology, University of Wisconsin - Superior
Date of anticipated testimony: May 5

Robert Disilvestro, PhD

Biochemist, Professor of Nutrition, Ohio State University
Date of anticipated testimony: May 6

Roger DeHart, BS

High School Biology Teacher, Oaks Christian High School in San Diego, CA
Date of anticipated testimony: May 6

Russell Carlson, PhD

Professor of Biochemistry and Molecular Biology University of Georgia
Date of anticipated testimony: May 6

Stephen Meyer, PhD

History and Philosophy of Science, including methodology of historical sciences; Director and Senior
Fellow of the Center for Science and Culture at the Discovery Institute
Date of anticipated testimony: May 7

Warren Nord, PhD

Professor of Philosophy of Religion and Education, University of North Carolina, Chapel Hill
Date of anticipated testimony: May 7

William S. Harris, PhD

Biochemist, Professor of Medicine, University of Missouri at Kansas City, Director of the Lipoprotein
Research Laboratory, St. Luke's Hospital, Kansas City, MO
Date of anticipated testimony: May 5
